Attn Examiner Harold Joyce:

Hope all is well and that you have had a good Christmas and New Year. I am just writing to follow up on my submission of the changes made to the Roof vent patent application #10/068,935. As per our discussion I submitted the changes at the deadline with the request for the month extension. I remember you had mentioned that the patent office's response would take a few months so I am now just following up to check on the status of the file and make sure that there is nothing that I need to do. Thanks very much.

Sincerely,

St. Jean Orridge
